

Quality Policy and Core Values

Litra MFG's mission is to be **that** reliable partner for high quality, high performance, competitively priced, networking products to the job site, right on time.

To that end, Litra MFG will operate a family-oriented culture with shared values, purpose and performance to drive improvements:

First – Litra exists to help our **Customer** be successful.

Integrity – create an environment of high ethics and personal responsibility.

Be – a **Team player**, help coworkers thereby helping customers.

Efficiency – work leaner and drive improvement.

Reach – be **Driven** to work hard for the company and your family.

This policy is available/communicated to all interested parties on our website and in our office.
